Our topic this half term is *Travel and Transport*

We will explore transport on land

by air

and on sea

Learning and exploring places we travel too, as part of our classroom activities. Pupils will have the opportunity to explore pictures, sounds and smells linked to different countries through our new interactive sensory facilities. We will also take part in a variety of hands on travel experiences during many of our off site trips, using our own minibus and public transport.

Our focus in English is Poetry.

We will explore sounds and rhythms in words and sentences and develop our understanding and use of phonics through carefully differentiated activities.

Roses are Red
Violets are Blue
Sugar is sweet
And so are you!

In Maths, we will explore the world of statistics during exciting making and recording choices activities, as well as looking at and creating pictograms and charts.
