

# KS2 Curriculum Newsletter

Summer 1 2018

Dear parents and carers,  
We hope you had a very good  
Easter holiday. Welcome to the new  
term and to our Summer 1  
curriculum newsletter.

Throughout the term, each child will  
work on their personalised learning  
outcomes in core subjects English and  
Maths as well as across all our cross-  
curricular lessons.

## Diary dates:

Enrichment day: Friday May 18<sup>th</sup>

Mobile farm visit: Thursday May 24<sup>th</sup>

End of half term: Friday May 25<sup>th</sup>

School reopens on: Monday June 4<sup>th</sup>

Please send in **£1** to help your child's  
class benefit from healthy snacks and  
drinks (if you have not already kindly  
done so)

We look forward to working  
with you

KS2 Teachers

This half term our topic is *Leisure and Sport*.

Throughout this topic we will be working on mastering  
basic movements as well as developing balance and co-  
ordination, and we will begin to apply these in a range  
of individual activities and exciting team games within

our school grounds but also  
outside in the community during our offsite trips.  
We will also develop our awareness of looking after our  
body and learning about healthy living.

Our main focus in English is Comprehension.

We will be reading stories and learning about  
characters and events, but we will also be developing our  
understanding skills as well as our ability to follow

instructions.

In Maths we are continuing our work on  
measurement, this term focusing on ordinal numbers
