

Woohoo!

We are getting set for opening at the end of June

That is - if we are ready.

We have managed to do some inside jobs but the outdoor play area needs attention immediately. We were heartened that people offered help and now is your chance.

We are holding 2 x working weekends.

The first working weekend will be on
Saturday 22nd May and Sunday 23rd May 10a.m - 3.00p.m.

The 2nd working weekend will be on
Saturday 12th June and Sunday 13th June 10a.m. - 3.00 p.m.

The sort of jobs needing doing are:

- cleaning everything,
- repainting the chalkboards,
- clearing the moss that has grown between the floor bricks,
- sanding down and painting/varnishing the bench /seat,
- revamping the natural wood seating area,
- re-roofing the play house.

There are also toys to wash. So there is a job for everyone - skilled or not. We will provide materials but if you can, please bring some tools along with you.

We are unable to have children present at these working sessions as there will be gates and doors open and tools around.

Just turn up for an hour or more. More hands make less work.

We have just received the half term activity booklets from Short Breaks. Pick one up from us on Saturday or check out their website.
