

# KS1 Enrichment Day

The children in KS1 took part in an exciting day learning all about Kings and Queens, linking to our country having a new King. The children visited different classes to explore many creative activities enabling them to find out about Kings and Queens. Some of the tasks included building castles, decorating shields, dressing up and making crowns and jam tarts. The children used many skills to complete the activities such as turn taking, developing fine motor skills and being imaginative.

## KINGS & QUEENS

Wednesday 16th November
