

Celebrating King Charles III - May 5th 2023

We had a full week of educational fun at Main Street when we prepared for the coronation of our king Charles III. All KS2 pupils took part in a range of exciting activities involving a lot of creativity, creating and wearing costumes and artefacts, making crowns, flags and bunting as well as preparing decorations and table centerpieces for our banquet in the school hall and corridors. After the banquet, we had a very lively disco to complete a very active and enjoyable celebration day.
